2nd Camera Overview

Improved Security and Experience

MOBILE DEVICE AS A SECOND CAMERA

Key Features

- Second angle shows face, hands, keyboard, mouse, and workspace.
- Easy, guided, test-taker setup.
- Compatibility with a wide range of mobile devices

Works With

- Live+
- Guardian Secure Browser

Benefits

- Less Misconduct
- Fewer Unnecessary Test-Taker Interruptions
- Fewer incident reports, appeals, and accreditor scrutiny

Early Pilot Results

- 42% fewer incident reports
- Similar launch time
- Similar test-taker fulfillment rates

RECO Results

MOBILE DEVICE AS A SECOND CAMERA

Customer Profile | Live+ | Real Estate

Dates: 10/1 - 12/31

Exam Sessions: 2,928

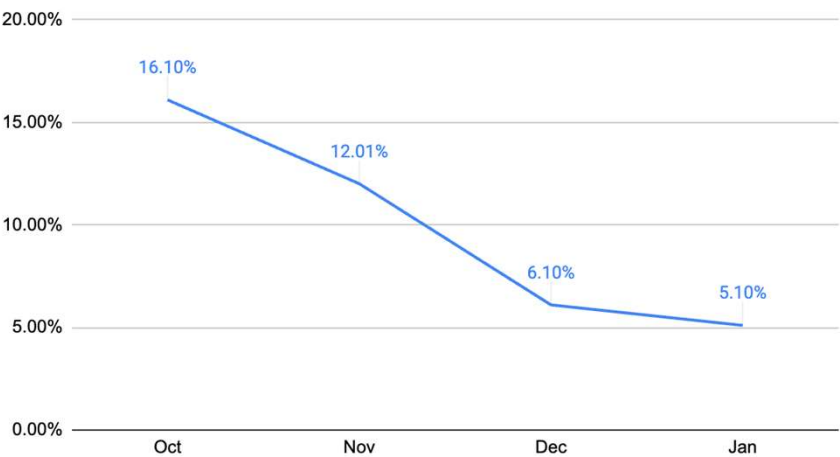

Confirmed Breaches

↓ 68% reduction in Confirmed Breaches (16.1% → 5.1%)

Cheating Rings Neutralized

16 coordinated cheating rings identified and neutralized, involving 125+ individuals

Confirmed Breaches

Slide 7

- MH1** [@Ren Jiang] please compare RECO with PT Live+ to see if we can find a favorable comparison for Incident Reports, in particular
Matt Hoffman, 2026-01-26T17:25:38.198
- 1 0** Sure thing, looking into this
Ren Jiang, 2026-01-26T18:53:27.601
- 1 1** [@Matt Hoffman] Data shows the Confirmed Breaches rate dropped from 16.1% to 5.1%, And from Cory, 16 coordinated cheating rings spanning 125 persons were neutralized during this period
